# About Paradigm Construction Management

Paradigm Construction Management (PCM) is a certified woman-owned, minority-owned firm that delivers exceptional construction management services. Headquartered in the Kansas City metro, PCM combines a smaller firm's agility with industry leaders' expertise and dedication. Specializing in both commercial and government projects, PCM has a proven track record of delivering high-quality, on-time, and on-budget solutions for federal, state, and local governments across Missouri, Kansas, and beyond.

Whether leading a project or partnering as a trusted subcontractor to larger firms, PCM's specialized services and expertise enhance efficiency, compliance, and overall project success.

## Core Competencies
